Chieftain Pasha

Soft luxurious vinyl fabric in a range of gentle complementary tones

Chablis

Pasha is a soft, lightweight addition to the Chieftain range. Its unusual grain makes it feel akin to woven linen and its soft handle and pliability make it a favourite with upholsterers.

We have taken great care in its fabrication, ensuring that only the highest quality ingredients are chosen and all dyes used in the process are organic. Chieftain has upcycled Pasha's backing cloth from 100% recycled cotton yarns, ensuring that the impact on our environment is as low as possible. (www.chieftainfabrics/recycledcotton).

This faux leather is also high-performance and can provide peace of mind for those who specify it for use in high-traffic areas.

Pasha's delicate colour palette and muted tones have been chosen to complement its luxurious handle.
