BS7176 Crib 7 tested over CMHR 35kg/m³ foam

Antimicrobial: ISO 22196

Care and Cleaning Guide:

Chieftain Fabrics vinyl should be cleaned regularly. POil and ink must be removed immediately. Clean with warm, mild soapy water and a microfibre cloth or a soft hand brush and dry immediately. Please, do not use solvents, chloride, abrasives, chemical cleaning agents or wax polishes. Note that colourings by jeans or other textiles are excluded from any manufacturer's guarantee. In situations requiring a high level of disinfection, use a 1:4 bleach to cold water dilution. Always follow manufacturer safety guidelines and wear appropriate PPE.

For further cleaning information, please see our 'Wash and Care' section at www.chieftainfabrics.com
